

# Solid Rock Church Theft Witness List

This witness list is on file with the Minnesota Tenth District Court as a result of two fraud lawsuits filed against Dr. Bill Matthews and Solid Rock Church in Elk River, Minnesota.

Listed are four hundred thirty (430) individuals with knowledge of the Elk River Assembly of God Church aka Solid Rock Church in Elk River, Minnesota during the period of time from 1990 to 1999. These people have been identified as either actual church attendees or as persons who may have knowledge relevant to the church theft. Many of these individuals are eyewitnesses to the corporate meeting events that led to the actual theft of Solid Rock Church by Dr. Bill Matthews.

Many people attended the corporate meetings that William Neal Matthews (Dr. Bill Matthews) used as a ruse to disenfranchise them of their voting rights. Many, as congregational voting members, voted to elect William Neal Matthews as their "righteous pastor" in the wake of James Hoogenboom's sex scandal, only to have him take away their affiliation and voting rights with fraudulent state Articles filings.

Therefore, many of these people are also "Victims" of Matthews' con!

This list is only related to the actual theft of Solid Rock Church. It has nothing to do with the 1992 Hoogenboom sex scandal OR the 2010 crisis caused by Dr. Bill Matthews marrying Ana Lorena Matthews, his son's wife whom he is accused of stealing. Details are provided online at <http://www.james417.org>. See Witness List Notice on home page.

If you did not attend the church during the time of 1990-1999 and have no knowledge of any of the events at the church during this time, you can have your name removed from this list by filling out the form at <http://www.james417.org/witnesslist.html>.
